Woodley Age Concern is locally recognised in the delivery of Care Services for people with Dementia, and is driven by a commitment to achieve the best quality of life for individuals.

We are about to launch a brand new project for Younger People with Dementia. This project will focus on a range of both mentally and physically stimulating activities. The project will enable younger people with dementia to play an active part in the community.

We are looking for a :-

PROJECT CO-ORDINATOR DRIVER CARE ASSISTANT

To work 2 Days a week 9am to 5pm This is a 2 year contract with a view to being permanent. Salary according to ability and experience. Based at Woodley Age Concern

Applicants will need to have a knowledge of the dementia strategy and its implications. Have good communication skills and a dedication of working with dementia essential and experience in this field preferred. Be able to organise a range of activities that are needed for this group in providing physical and mental stimulation. If you have the qualities we are looking for and the motivation to be involved with this exciting new project.
